

Corpus.Corporus.concorde

Corpus.Corporus.search

Corpus.Corporus._build
_full_text

```
graph LR; A[Corpus.Corporus.concorde] --> C[Corpus.Corporus._build_full_text]; B[Corpus.Corporus.search] --> C;
```

The diagram illustrates a flow from two source components to a single target component. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'Corpus.Corporus.concorde' and the bottom box contains 'Corpus.Corporus.search'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'Corpus.Corporus._build' on the top line and '_full_text' on the bottom line. The gray box has a black border and a solid gray fill.
